

Lilu Kaufman

East Meadow, NY, 11554 | kaufmanliluj@gmail.com | <https://www.lilukaufman.com>

EDUCATION

RENSSELAER POLYTECHNIC INSTITUTE (RPI)

Bachelor of Computer Science & of Information Technologies and Web Sciences (ITWS)

Cumulative GPA: 4.0/4.0

Troy, NY

Expected June 2027

EXPERIENCE

HUML HEALTH

May 2025 - Present

Software Engineer Internship

- Worked alongside the engineering team as the first intern at an early stage healthcare startup to develop customer facing features on their mobile app (in React Native), web application (in React and Typescript), and backend services (in Node, hosted on AWS).
- Assisted in database design and development in Postgres DB with a Prisma ORM. Aided in modernizing an existing legacy code base. Contributed to technical discussions and planning.

ALERTGY

September 2024 - December 2024

Software Engineer Internship

- Developed and maintained software tools to streamline laboratory testing of non-invasive glucometer technology.
- Organized informatic data structures via Python, created AI dataframes utilized with deep learning neural networks via AI content libraries (Tensor Flow, SKLearn), preserved database schemas and extensive test result content via Firebase DB, and designed UX for user-facing features via Procreate and Figma.

SOAPBOX HOSTING LLC

May 2024 - August 2024

Software Engineer Internship

- Engineered and sustained Soapbox's podcast hosting software and web application via creating customer facing features using the Astro JS platform, managing database schema and migrations using Prisma ORM, and applying background workers that uploaded content to cloud storage.

EXTRACURRICULARS

HELP HER STEM (TEAM RESEARCH PROJECT)

January 2024 - December 2024

Under Prof. Richard Plotka @ RPI

- Built an anonymous advice forum for underrepresented gender minorities with careers in STEM using React, Tailwind CSS, and an SQL database.

HACK RPI

Troy, NY

Organizer/Participant

August 2023 - Present

- Helped organize a hackathon totaling 500+ attendees twice; organized day-of-logistics and contributed to UX design.
- (2024) Awarded prize for 'Best App Development' for *CENT-TRACK*, an educational financial tracker and budgeter application built with a 4-person team using React Native in a 24+ hour hackathon.
- (2025) Awarded prize for 'Ship Fast, Ship Often - Build a Payworthy MVP in a Weekend' for *ACCESS-A-CITY*, an inclusive event planner application built with a 3-person team using React Native during a 24+ hour hackathon.

UNION PROGRAMMING ACTIVITIES COMMITTEE (UPAC)

Troy, NY

Concerts Division Treasurer/Volunteer

August 2023 – Present

- Provided the RPI community with quality music acts ranging from nationally touring performers to local bands; managed concert's division budget of 100k+. Volunteered for 12+ events, 6+ hours each.

ACM - WOMEN IN COMPUTING CHAPTER

Troy, NY

Freshman Representative

August 2023 – August 2024

- Provided a welcoming environment; Fundraised 600% of given funds in a single fundraising event; co-lead events, such as organized workshops, networking events, career advancement opportunities, and an end of year gala totaling 30+ attendees.
